All prices are loaded into your truck at a per ton price when the pit is open, except mulch and compost. Mulch and compost material is sold by the yard. Material is not guaranteed to be available and prices are subject to change. Material will be scaled at the pit F.O.B. Any aggregate material measured by the yard will be converted to tons using a 1.4 conversion factor (1.4 tons in a yard). The price per yard is the price per ton multiplied by 1.4. Prices above do not include any sales tax. Trees, stumps, and brush are accepted with a \$50 fee per load. Asphalt and Concrete are accepted in pits, please call for fees. Terms are net 10 days on approved credit. We accept American Express, Mastercard, and VISA.

Please call pits for days and times they are open.
