Material Code	Material Description	Price per Ton	Price per Yard
RD1	Red Rock 1" Minus	\$ 5.00	\$ 7.00
RD1.5	Red Rock 1-1/2"	\$ 7.00	\$ 9.80
RDUP	Red Rock Unprocessed	\$ 2.50	\$ 3.50

All prices are for material in the pile, you load and haul. Material is not guaranteed to be available, please call for availability. Prices are subject to change. Any aggregate material measured by the yard will be converted to tons using a 1.4 conversion factor (1.4 tons in a yard). The price per yard is the price per ton multiplied by 1.4. Prices above do not include any sales tax. Must contact Tim Miles before hauling from pit. Terms are net 10 days on approved credit. American Express, Mastercard, and VISA are accepted. If paying with a credit card, a 3.5% bank will be passed to the purchaser as taxable (due to tax laws). Purchaser is responsible for maintaining haul road if material is not delivered by Anderson Brothers.
